Attention Keystone Ranch Homeowners:

Re: Emergency Egress

In the event of a major fire requiring evacuation from the Keystone Ranch we will be alerted by Lake Dillon Fire & Rescue and the local police entities as to the required path of egress.

The four exit points from the Keystone Ranch are:

1. **Soda Ridge Road via exiting the Keystone Ranch from the main entrance.**

2. **Access gate to Summit Cove via Lichen Lane.**

3. **Access gate to Summit Cove off Penstemon Road by the Soda Creek drainage.**

4. **Access gate to Summit Cove via spur off Goldenrod Circle (West Ranch).**

Thank you.
